## 2. User Access

The screenshot shows the 'USER TABLE' in the PORTAL application. The table lists users with their IDs, descriptions, and statuses. The left sidebar contains a menu with 'Control Panel', 'Access', 'Change Password', and 'Consolidation'. The bottom of the sidebar features the MTH Corp logo and a 'Go to Website' button. The table has columns for '#', 'USER ID', 'DESCRIPTION', 'STATUS', and 'ACTION'. The data rows show users like 'aasdadsad', 'AMEL', 'Calvin', 'cicilia', 'David', 'DEVI', 'edo', 'etica', 'ELVI', and 'fanny'.

### 3. Sync Consolidation

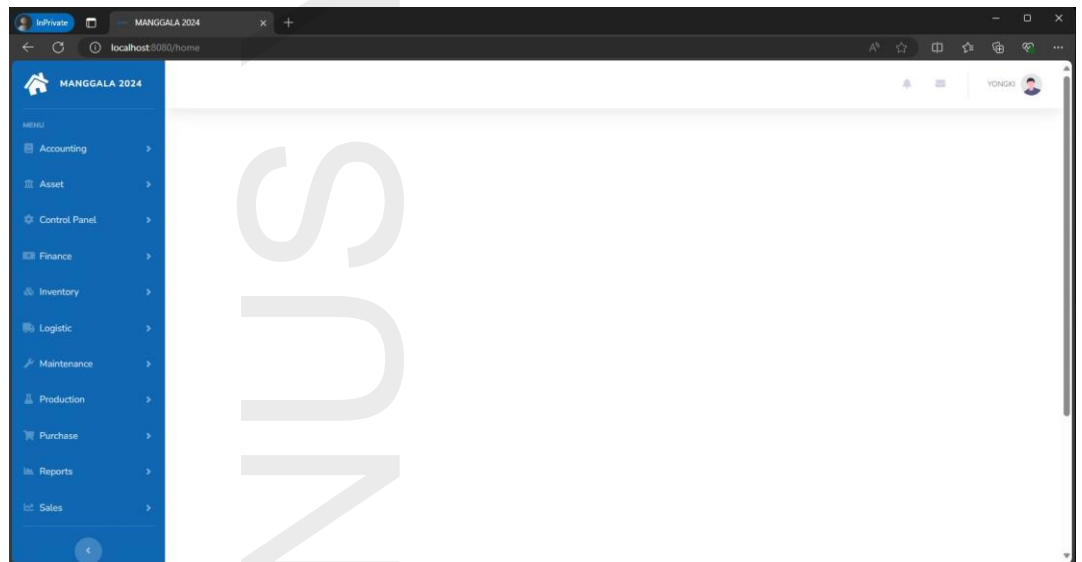

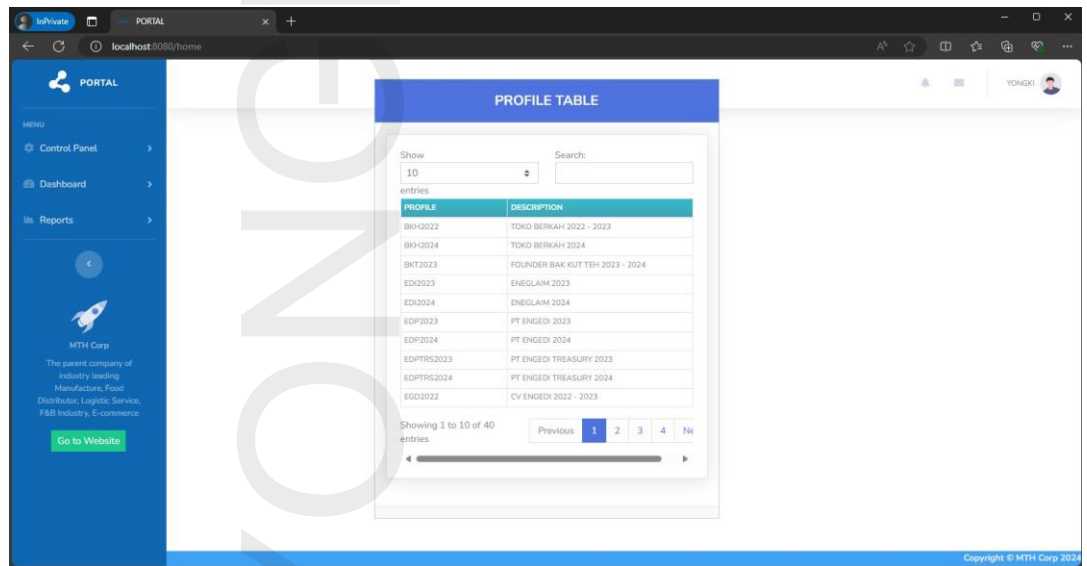

Fitur ini digunakan untuk melakukan Synchronize data dari semua database masing – masing Business Unit yang kemudian data tersebut akan digunakan untuk Laporan – Laporan Consolidation Aplikasi Desktop

### v. Business Unit

Pada logo Profile apabila diklik, akan menampilkan List Table Database yang terdapat pada server, sehingga apabila Database tersebut dipilih, tampilan Portal akan berpindah ke tampilan Business Unit yang dipilih tersebut, sehingga semua informasi dan data yang ditampilkan akan menjadi informasi dan data Business Unit tersebut

Catatan :

- Untuk Project Website ini merupakan Migrasi dari Aplikasi Desktop yang menggunakan VB.net, untuk fitur masih dalam proses pengembangan.
